

src/client/include  
/interfaces/IJsonParser.h

```
graph TD; A["src/client/include /interfaces/IJsonParser.h"] --> B["boost/json.hpp"]; A --> C["optional"]; A --> D["string"];
```

A diagram showing the dependencies of the header file `src/client/include/interfaces/IJsonParser.h`. Three blue arrows point from the header file box to three separate boxes below it: `boost/json.hpp`, `optional`, and `string`.

boost/json.hpp

optional

string
