

src/client/include  
/interfaces/IFileReader.h

```
graph TD; A["src/client/include<br>/interfaces/IFileReader.h"] --> B["optional"]; A --> C["string"];
```

The diagram illustrates the dependencies of the header file `src/client/include/interfaces/IFileReader.h`. Two blue arrows originate from the bottom of the top box and point to the boxes labeled `optional` and `string`, indicating that the header file depends on these two components.

optional

string
